Wholesale Membership Requirements

We are so excited to offer a partnership with you through wholesale. However, our wholesale membership is specifically for retailers looking to sell our JoyDough in their shops! With that we do require that as a wholesale member, you purchase a **MINIMUM** of 20 total JoyDough products with each purchase. While our website does not require that amount for you at check out, we do require that you order a total of 20 with **EACH** purchase. We do reserve the right to remove you from our wholesale membership if we see that you fail to follow our minimum requirement.

We are happy to offer free delivery within 50 miles of Tolar, Texas! If you live within 50 miles, please add your address into the “add a note” section in your cart before checkout and select “Pick Up” as your shipping option! We will be in touch via email after you have purchased to set up a delivery time that will work best for you and your shop!

Thank you for supporting us in your partnership!
